To Whom It May Concern:

It is my privilege to write this recommendation for Ron Brigmon Ministries. I have known Brother Ron since becoming the Chaplain at the Kyle Correctional Center in July 1999. He and Ms. Katie have ministered regularly (approx. 5-6 times a year) at my chapel services since that time.

They are both capable ministers and have consistently provided quality ministry every time I have observed them. They represent our Lord well and are loved and well-received by the men incarcerated at our facility. I am blessed by our friendship and truly consider their ministry "Top Notch"! I am pleased to highly recommend their ministry to anyone.

Born Again to Win,

Michael R. McComb
