To whom it may concern,

It is my pleasure to recommend to you Ron and Katie Brigmon. They have been ministering at FCI Bastrop for over 15 years. I first met them in 2005 when I transferred here. They are highly effective at engaging inmates through their music and teaching. Ron and Katie are also extremely reliable and interact with staff and inmates with an attitude of cheerfulness and service. They understand both the needs of the inmate population and the special concerns of working in a correctional environment. It has been a true joy to work with them over the past five years.
